Education programmes for Primary Agriculture Co-operative Societies

2501. SHRI DHULESHWAR MEENA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that the "Education Programmes" for the primary agriculture co-operative societies in Rajasthan have been undertaken by the National Co-operative Union of India during the last few years;

(b) if so, whether any study to find out the impact of such education programme on the development and growth of primary agricultural co-operative societies has been made;

(c) if so, when and the finding thereof; and

(d) what is Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI MULLAPPALLY RAMACHANDRAN): (a) Yes, Sir. The Project is under implementation in the selected societies in two district *viz.* Jaipur and Udaipur in Rajasthan.

(b) and (c) Yes, Sir. A study was conducted in 1990-91. The study revealed that in the covered districts there was increase in the membership especially of SC/ST, share capital and working capital of cooperatives. The study also revealed increase in the agricultural production of the members of primary societies in the area resulting in increase in the income of the members.

(d) Government of India on receipt of the report has advised the NCUI to make the project personnel accountable for creating, an impact in the area of the education programme and also strictly monitor the performance of the projects.
